

BRC's Safety Guidelines Book

Helmet Guidelines

Scope:

All BCMG events & hires

Content

Biking

The Bogong Rover Chalet hosts a number of biking events over the green season. In accordance with Victorian law, bicycle helmets are required when using a bike at the Chalet.

Skiing

The Bogong Rover Chalet acknowledge that there are inherent risks associated with skiing. In an Alpine Resort such as Mt Buller, Falls Creek, Hotham or Mt Baw Baw, ski helmets are highly recommended for all and are required for lessons and the terrain park.

The BCMG does not supply helmets. If a participant wishes to use one at the Chalet, they need to bring their own helmet in (or hire one prior to skiing in).

The Bogong Chalet Management Group have determined that helmets will not be deemed compulsory at the Bogong Rover Chalet or in the surrounding areas (including the tow). However they are recommended. This is due to the Bogong Rover Chalet and surrounds:

- Having significantly fewer people skiing the runs
- Not skiing under a chair lift where loose articles could fall
- Most participants using pattern based skis which reduce the speed achieved
- Less complex terrain

If a participant would like to wear a helmet they will be supported in wearing one.

Approved by Risk Sub-Group 26th November 2024

BRC's Safety Guidelines Book

Ratified: 11th December 2024

To be reviewed: No later than October 2027

Update from 1.0 to 1.1 was changing of 1 word. This changes was made in February 2025 and deemed to not require ratification. There were no other changes.
