

BRC's Safety Guidelines Book

Refusal Due To Medical Reasons Guidelines

Scope:

All BCMG events & hires

Overview

In Winter the Chalet is only accessible via skis/snow shoes from Falls Creek which is around 12km. In Summer (when the Bogong High Plains Road is open between Windy Corner & Trapyard Gap), there is a 1.6km walk from Cope Hut Car Park.

Due to the location of the Chalet and the internal nature of the Chalet, it may not necessarily be accessible to some individuals who have physical disabilities. This is mainly due to the travel to get there, however it is also due to the building itself not being required to meet disability requirements. Additionally:

- The track itself into the Chalet is not able to be maintained by the BCMG as it is a Parks Victoria and AGL responsibility. It is not possible for the BCMG to transport individuals other than by their own human power
- The current lease prohibits the use of vehicles to transport individuals down to the Chalet, as well as prohibits the use of over snow vehicles

Winter Parties

The BCMG and/or Wardens Team reserve the right to refuse entry to a Winter Party due to physical or mental impairments.

This is to reduce the risk associated for the individual and for the group.

Assessment of medical data

For every event (including Winter Parties), medical data is assessed prior by the Wardens Team. If a participant is deemed not suitable, the Wardens Team is responsible for communicating with a participant.

BRC's Safety Guidelines Book

Should a participant not disclose relevant details in their medical information that may be relevant to this guideline, they will be individually assessed by the Wardens Team as to whether they are allowed to attend future Chalet events.

Refunds

Should a participant be unable to attend due to being deemed not suitable by a medical practitioner prior to the start of the winter party, a full refund will be provided. Any other refunds are at the discretion of the Wardens or the BCMG Chairperson.

Approved by Risk Sub-Group 26th November 2024

Ratified: 11th December 2024

To be reviewed: October 2027

Update from 1.0 to 1.1 was changing of 1 word. This change was made in February 2025 and deemed to not require ratification. There were no other changes
